THE FRONT COVER PICTURE shows the sensational young bull, Hickories Armada, one of the first sons of Louada Fearless produced at The Hickories. It was taken right after he had won the supreme championship over all breeds at the 1957 Wisconsin Mid-Winter Beef Cattle Futurity. And who is the gentleman holding the bull? It's our old friend Wm. Cruickshank. Although Bill has recently retired after many years with Ringwell Farms, he is still very much at home holding the halter of a good bull.

## Vacationland Is Shorthornland!

And here is another view of the supreme champion Hickories Armada. Wide, thick and burly, isn't he? Don James, efficient manager of The Hickories, is at the halter. A half interest in this bull was recently purchased by Howard and Rex Johnson, Beloit, Wisconsin.

**BUY BETTER SHORTHORNS** and have more fun while you're doing it --- --- that's just what any smart cattleman can do at this sale in the heart of the Wisconsin Dells.

All of the herds practice official calfhood Bangs vaccination. Interstate health charts will be provided.

# SHORTHORN SALE • SATURDAY, JUNE 1, 1957

Miss Marilyn Miller, Wisconsin Lassie Queen, has a warm greeting for P S Troubadour when the famous 1956 International grand champion steer visits Madison on the occasion of the Wisconsin Mid-Winter Beef Cattle Futurity.

Why not mix business with pleasure? You'll find wonderful sight-seeing and great fishing in this section ... and you'll also find better Shorthorns with stronger pedigrees than almost anywhere else in the country. The tops from four outstanding herds sell in this annual Vacationland Shorthorn Sale.

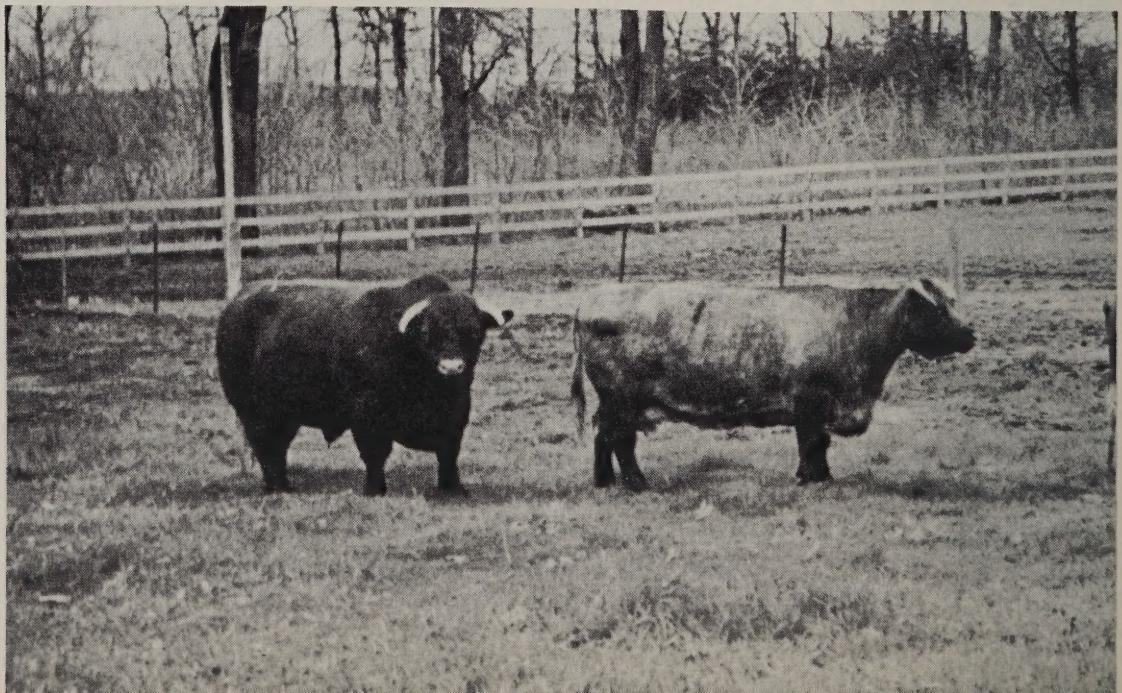

PARDEEVILLE, WISCONSIN • VACATIONLAND

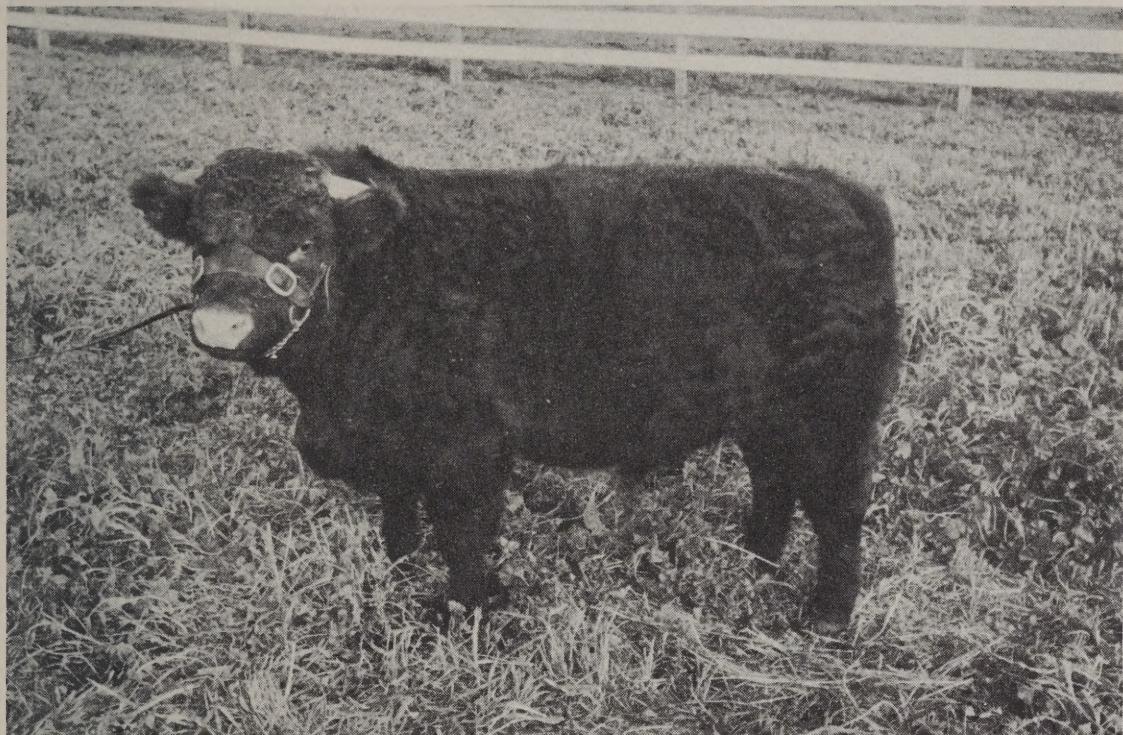

In the mud or under any conditions, Louada Fearless is wonderfully impressive.  
It's a snapshot picture, completely unretouched.

## IS HE A GOOD BULL? What do you think?

Here he is again . . . Louada Fearless, famous son of Calrossie Armada, chief stock bull at The Hickories. With him is Jim Ewell's great imported cow, Beaufort Orange Talisman.

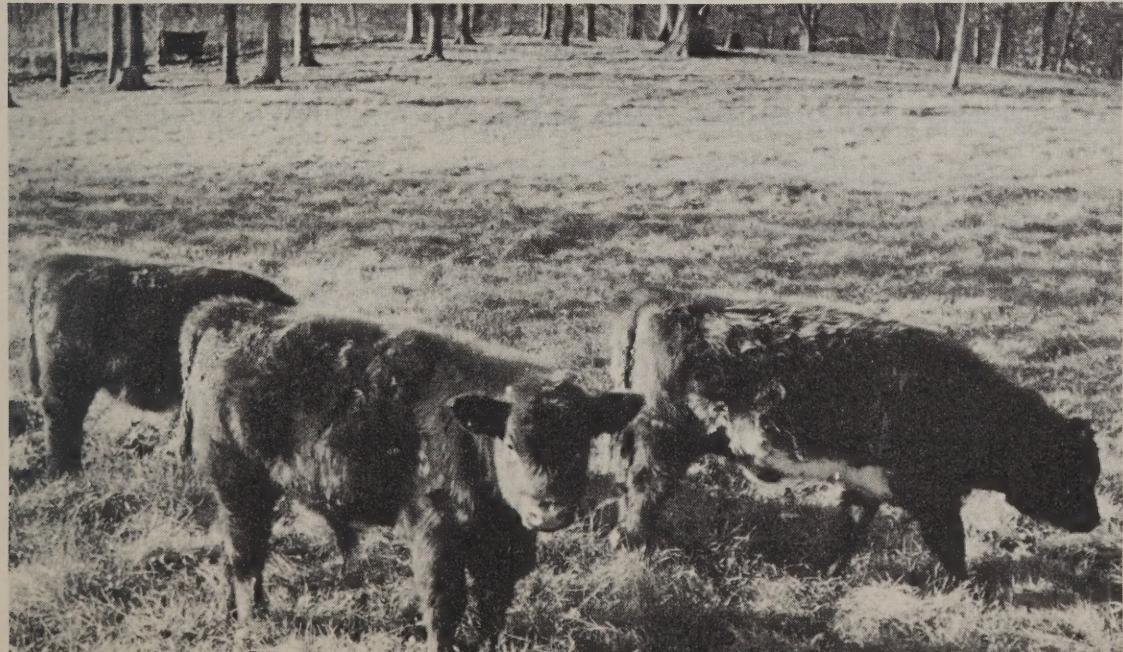

# SHORTHORN SALE • SATURDAY, JUNE 1, 1957

This is Hickories Accord, one of the many great calves by Louada Fearless at The Hickories. He sells as Lot 1 in this sale.  
Unretouched snapshot in calfhood form.

## IS HE A GOOD SIRE? What do you think?

A trio of Louada Fearless calves at The Hickories. Note the thickness, perfect balance and grand heads. Yes, Louada Fearless IS a great sire!

# Is This a Good Sale in which to Buy?

**JUDGE FOR YOURSELF!** The Vacationland Sale has been held nearly every year since 1945. During that period 170 breeders from sixteen states have bought. Critical judges have done the buying. These men know good cattle and recognize strong pedigrees. This is a good place to buy... and former patrons will tell you so.

*Wisconsin health regulations are rigid. If you buy Shorthorns in Wisconsin, you may be sure they will meet the health requirements of your state.*

# SHORTHORN SALE • SATURDAY, JUNE 1, 1957

## All Produced at the Hickories

Of all the long-established annual sales in the country, this is the one where greatest improvement has been made year after year. And out of this sale have come cattle that have given perfect records of performance. Wisconsin produces top Shorthorns, royally bred. The cattle for this sale are drawn from four of the best herds in the state, owned by capable breeders who follow an enthusiastic, progressive breeding program.

This is a friendly, pleasant place to buy, and these men stand squarely behind their guarantees. More than 170 different buyers from sixteen different states have made purchases in the annual Vacationland Sales, and the list of satisfied customers grows each year. Many times I have recommended the cattle in these sales to prospective buyers in far-away states, and despite long trips, all have expressed great appreciation.

The owners have not attempted to overdraw the descriptions of their cattle in this catalog. The pedigrees are strong and the individuals are just what you should expect from such rich ancestry. This is a fitting opening for the great June sale circuit in the Chicagoland area.

HAL LONGLEY,  
of The Shorthorn World

DID YOU EVER SEE A BETTER HEAD? It's the head of Beaufort Bulldozer, sire of Almahurst Billionaire.

Several individual pictures of Louada Fearless appear elsewhere in this catalog, so we will show him here in the three bull group that won first prize at the 1954 International. Louada Fearless is the bull on the extreme right.

LOUADA FEARLESS — Many of you saw this bull at the International last December where he won his class of 24 summer yearlings, and was a member of the International first prize get-of-sire, and first prize three bull group. He has come marvelously since that time. We are anxious to show him to you again and believe you will agree he is one of the breed's best. Certainly the sire, Calrossie Armada, needs no introduction. He was purchased in the Perth sale for \$25,000, and his calves stole the show at the 1954 International. They won the first prize senior get, the second prize junior get, and stood up at the top of every class in which they were exhibited. A full brother to Calrossie Armada, Calrossie Paramount, was the 1955 Perth supreme champion bull. Several of the sale females will be bred to Louada Fearless. The calves by Louada Fearless at The Hickories are outstanding. We can offer only a limited number of them in this sale because we fully intend to build an entire herd out of his heifers. However, we are selling a grand lot of females carrying his service.

**KICKAPOO PERFECT CHIEF** — We bought this great bull in the 1956 International Congress Sale. He won second prize in the strong senior bull calf class at the 1955 International where he was also a member of the first prize get-of-sire, and the first prize junior get-of-sire. He represents a combination of the best in bloodlines. Kickapoo Farms used him generously before offering him for sale, and they have a grand lot of calves by him. His service will be a feature of this sale.

This picture shows the beautiful heifer Kair Nonpareil Roselynn at the time she was purchased by Stanley Loper. She has produced a wonderful family, and is typical of the kind of imported females upon which the Loper herd is founded. She is a daughter of Beaufort Bolido.

Seven lots have been selected for this sale from the strong herd owned by Stanley Loper. They have participated in former Vacationland sales and the Loper cattle have always been of excellent quality and well received by buyers. They are back this year with an even stronger offering.

You will find Stanley Loper's entries to be richly bred and of very high quality.

## Champion Steers . . . a real Measure of Success!

Stanley F. Miller, consignor of Lots 42 and 43, is the owner of one of Wisconsin's oldest herds, and is widely known for his constructive breeding operations. Productions from this herd may be found in many states, and all have made good. Younger members of the Miller family have won many championships in the steer division of state and national shows.

CHAPELTON COPYRIGHT, as he appeared at the Perth show and sale in Scotland. This bull has made a grand record in the herd of Stanley Miller and is owned in partnership with Reynolds Bros., Lodi, Wis.

CHAPELTON COPYRIGHT — We believe this is to be one of the best breeding bulls to have been imported to North America. The calves we are offering by him in this sale will back up this statement. Calrossie Contribution has proved to be an outstanding sire at Chapelton, and his sons and daughters, imported, have been excellent breeders. He is a full brother to Calrossie Adonis, used in the Aldie herd of the late Finlay MacGillivray, where he sired several Perth first prize winners. Paloma Clara is the dam of Chapelton Crusader, in service at Cluny Castle.

# **Standard Guarantee of the American Shorthorn Breeders' Association**

Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off.

All animals sold in this Sale will be backed by the above Standard Guarantee.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.

**Wisconsin is a Bangs Accredited State. If you buy in Wisconsin, you may be sure the cattle will meet the health requirements of your own state.**
